From the Publisher: Honoring the moment

Leah S. Dunaief
Publisher

Dear Reader,

What a difference a few years can make.

As we celebrate the Class of 2025, we are reminded of the strength, resilience, and determination

that define this generation of graduates. These students have grown through challenges, embraced opportunities, and now step proudly into a world filled with possibility.

This supplement is our tribute to them—a keepsake filled with joy, accomplishment, and community spirit. We encourage you to read through these pages, visit our website at tbrnewsmedia.com, and take a moment to support the local advertisers who made this special edition possible. By shopping their

stores and using their services, you help celebrate the graduates and sustain the community that raised them.

We at TBR News Media, now marking nearly half a century of service, have always been honored to recognize the achievements of our young people. From the publication of valedictorian and salutatorian names to stories of perseverance and promise, this issue stands as a symbol of pride for families, teachers, and neighbors alike.

To the graduates: we are so proud of you. Your future is bright, and we are excited to see where your dreams take you.

*With gratitude and admiration,
